

COMPOST

Make dirt, not waste.

We're gathering photos of composters with their backyard or worm bins. Please bring along a photo and a story about your composting successes and challenges to share!

Have friends or family who are on the fence about composting? Bring them along too!

Call or email to RSVP or if you have any questions.

Composting at Home: Free Open House

Tuesday, March 31, 6:30-8:30pm

Edgumbe Recreation Center, 320 Griggs Street S, Saint Paul

Attention all backyard and worm composters!

Stop by our open house to:

- Enjoy snacks while you swap tips for composting and waste reduction with your neighbors
- Ask questions to brush-up on your composting skills
- Learn how to harvest a worm bin
- Help to build a community of composters!
