

About Civic Stewardship Apprenticeship Program

CSAP

CSAP is program is geared to Civic steward action-learning initiatives to shift community and institutional practices and policies for the greater good. Building up youth ideas democracy by working with multi-stakeholder, community change, and social innovation.

Aspirating youth to generate new knowledge, improve local outcomes, and contribute to a growing social movement for participative civic stewardship.

- *Neighborhoods are framed as communities of purpose*, with stewardship coalitions that shape local practices to improve outcomes (health, etc.).
- *Communities of practice* foster learning and collaboration, engage institutions, and scale successes within and across cities.
- *Youth community* help participants build civic stewardship capabilities (for methods, measurement, and civic media.)

Civic Stewards can participate in and support a variety of projects at the Saint Anthony Park Community Council in areas such as environment, transportation, land use, food justice and other valuable issues as related to your interests and goals.
